

## Sunday Sensations Application Form for Potential Exhibitors

**Sunday 13 September 2015**

We are looking for local people to exhibit or lead a participatory event at our Sunday Sensations event on Sunday 13 September from 11-3pm.

Exhibits are intended to reflect the five recognised human senses (sight, hearing, touch, taste, smell). We are particularly looking for events that have a hands-on participatory element suitable for all ages. We also welcome exhibitors of any age.

The whole event is offered free of charge to participants and exhibitors, but if you need to source materials for your event please let us know approximate cost and we will assess if the Festival can make a contribution or enable you to charge a small amount for your activity to cover expenses.

The event will take place in the Speen Festival marquee on the Speen Playing Fields and a few chairs and tables are available for display purposes, but please note we do not have exhibition boards or display areas, so you may have to source methods of display independently.

Please fill in the details below and scan & email the completed form to [director@speenfestival.org](mailto:director@speenfestival.org) by Tuesday 1 September, or deliver to Speen Festival, Old King George, Flowers Bottom Lane, Speen, Princes Risborough HP27 0SX

Name	
Contact details	
Age (if under 16)	
Phone	
Email	

Description of your idea for Sunday Sensation :

Any other useful information (display ideas or essential equipment you need to source) :

If you represent an organisation or a company please give details below

**Many thanks**

We will be in touch to confirm your participation by Saturday 5 September
